GLOBE Observer and Girl Scouts Online

- Tassia Owen created and conducted online webinars to engage girl scouts in GLOBE Observer and help them work toward completing their “Think Like a Citizen Scientist Journey” as part of an effort to respond to the needs of our audience during the Covid-19 response.
- Beginning on March. 27, Tassia presented to over 3,700 Girl Scouts from across the United States and abroad. The webinar was hosted by Girl Scouts of South Carolina – Mountains to Midlands as part of their Girl Scouts Connected: Virtual Program Series (<https://www.gssc-mm.org/en/events/GirlScoutsConnected.html>).
- Since then Tassia has given the presentation twice more to Girl Scouts of Southern Alabama (130 participants) and Girl Scouts of Texas (467 registrants).
