Online Resources for Library Staff and Patrons

In response to the needs of library staff and their patrons who are practicing self-isolation and social distancing during the coronavirus outbreak (COVID-19), *STAR Net* and its *NASA@ My Library* project have developed a special collection of resources including:

- **Bi-weekly Newsletter**
 - Features virtual programs, family activities, and professional development opportunities
- **Landing Page**
 - Features numerous free resources from *STAR Net* projects, NASA, and SciAct partners; as well as programming ideas
- **Weekly check-in calls** to share ideas and triumphs
