

estimated for an average respondent to respond: It is estimated that there are 178 respondents annually, at approximately .33 hours (20 minutes) per response to complete.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 58.74 annual burden hours. (178 respondents × .33 hours (20 minutes) = 58.74 hours).

(7) Registrants/foreign agents and the general public are alerted that in the future, the National Security Division will complete its ongoing multi-year design review, testing, and requirements enhancement efforts to offer a web form version of form NSD-4. NSD continues to make progress in enhancing the functionality of FARA eFile. Personnel are in the process of developing new web form versions of the current fillable FARA registration forms with the intent of providing greater standardization, improved intuitive features, and less burdensome requirements that will benefit foreign agents who are required to register under FARA. New capabilities are expected to improve online search capabilities. NSD is confident that the new features will offer an enhanced system, promoting greater transparency.
