SUPPLEMENTARY INFORMATION:
The Federal Unemployment Tax Act (FUTA) Section 3304(a)(8) contained in Public Law 111–5, enacted February 17, 2009, authorizes this information collection. The Department of Labor, collaborating with the Department of Education who administers the Pell Grant program, seeks to enable individuals who are interested in increasing their skills to have the opportunity to engage in job training to obtain industry-recognized credentials while receiving Unemployment Insurance (UI) benefits. To support these jobseekers, the DOL is encouraging States UI agencies and American Job Centers (AJCs) as third-party disseminators to work together to notify unemployed individuals of their potential eligibility for Pell Grants. For additional substantive information about this ICR, see the related notice published in the Federal Register on January 11, 2022 (87 FR 1438).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
