Announcement of GDC STDT Kick-off Meeting Details

The STDT's kick-off meeting will be held on May 15-18th, and the public is invited to attend virtually. This initial meeting will focus on defining the GDC science objectives, starting from the Decadal Survey's recommendations; discussion of scientific measurements and mission architectures will take place at a later meeting. Due to the meeting format, the public will not be able to comment during the meeting itself but public comments may be submitted via email (instructions can be found on the Public Comments link on the STDT webpage below).

The meeting agenda begins on page 2.

Instructions to attend virtually:
