### **Announcement of GDC STDT Meeting #3 Details**

The STDT's third in-person meeting will be held November 27 – November 30, 2018, and the public is invited to attend virtually. This third meeting will focus on refining science measurement requirements, discussing constraints on potential mission architectures, and drafting text for the final report. Due to the meeting format, the public will not be able to comment during the meeting itself but public comments may be submitted via email (instructions can be found on the Public Comments link on the STDT webpage below).

**The meeting agenda begins on page 2.**
