

3-D Thursdays!

"Three-Dimensional" NASA Series for Rural K-12 Educators

● Educator Opportunities

● Networking

● NGSS Connections

First Thursday of Each Month

Upcoming: April 7th at 7:00pm CT/8:00pm ET

With hosts Rachael Arens, Associate Researcher at NASA/NAU PLANETS & Michael Guarraia, Albert Einstein Distinguished Educator Fellow at NASA

Are you looking for ways to engage your students in NASA supported Earth Day activities? Join us as we welcome Dr. Trena Ferrell from NASA's Goddard Space Flight Center to dive into NASA lessons and resources to highlight Earth Day!

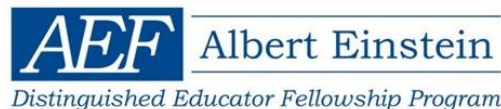

Special Guest

Dr. Trena Ferrell ***NASA Goddard Space Flight Center***

Dr. Trena Ferrell is the NASA Goddard Space Flight Center Earth Science Education and Public Outreach Lead. Trena attended Albright College in Reading, PA where she graduated with a Bachelor of Science Degree in Premedical Sciences. Later, she earned a MS degree in Developmental Biology from American University in Washington, DC and received her PhD in Environmental Sciences from Oklahoma State University.

Prior to joining the NASA Goddard Space Flight Center Earth Science Division, Trena was with the Office of Communications and an Education Specialist in Goddard's Office of Education for over 10 years. She also was a NASA Aerospace Education Services Program Specialist (AESP) and the NASA Explorer Schools Workshop Coordinator. She taught Science at the Maya Angelou Public Charter School in Washington, DC and was their Internship Coordinator. In addition, she taught Honors Chemistry and Biology at Gaithersburg High School in Montgomery County, Maryland. She presently also serves as an adjunct professor at the University of Maryland, teaching Biology and Environmental Science.
