RADIOISOTOPE POWER SYSTEMS (RPS)

Multi-Mission Radioisotope Thermoelectric Generator (MMRTG) Mission Planner Data Package Request and Usage Agreement

Form Overview

These forms shall be filled out by an individual requesting access to the MMRTG Mission Planner Data Package. Completion of these forms will initiate the applicant review process, which determines whether the applicant meets the access requirements.

Only one individual per organization will be granted access to the data package. This individual may share the data with their qualified colleagues, in accordance with the limitations of the MMRTG Mission Planner Data Package Usage Agreement. **Please note that data can only be shared with fellow U.S. mission planners (per the Usage Agreement)**. The definition of "organization" is subject to the discretion of the RPS Program and Department of Energy (DOE).

Submission Instructions

These forms shall be submitted to the RPS Program Office at <u>NASA-RPS@mail.nasa.gov</u>. Subject line labeled: REQUEST: MMRTG Mission Planner Data Package Request and Usage Agreement

Section I: Requestor Affirmation

Section II: Requestor Information

I am requesting a copy of the MMRTG Mission Planner Data Package. I affirm the following:

- 1) I am a United States Citizen or a lawful permanent resident of the United States (if a lawful permanent resident, verification of the law permanent resident status must be presented to the RPS Program Office),
- 2) I am currently a United States RPS mission concept developer, and
- 3) I currently work for a company incorporated or headquartered within the United States.
