

Europa Clipper Spiral Decorations

Soon a spacecraft called Europa Clipper will launch to Jupiter's icy moon, Europa! Having a launch party to celebrate the start of Europa Clipper's journey? Here are some spiral decorations of Europa and the Europa Clipper spacecraft to help you set the mood of the party!

National Aeronautics and
Space Administration

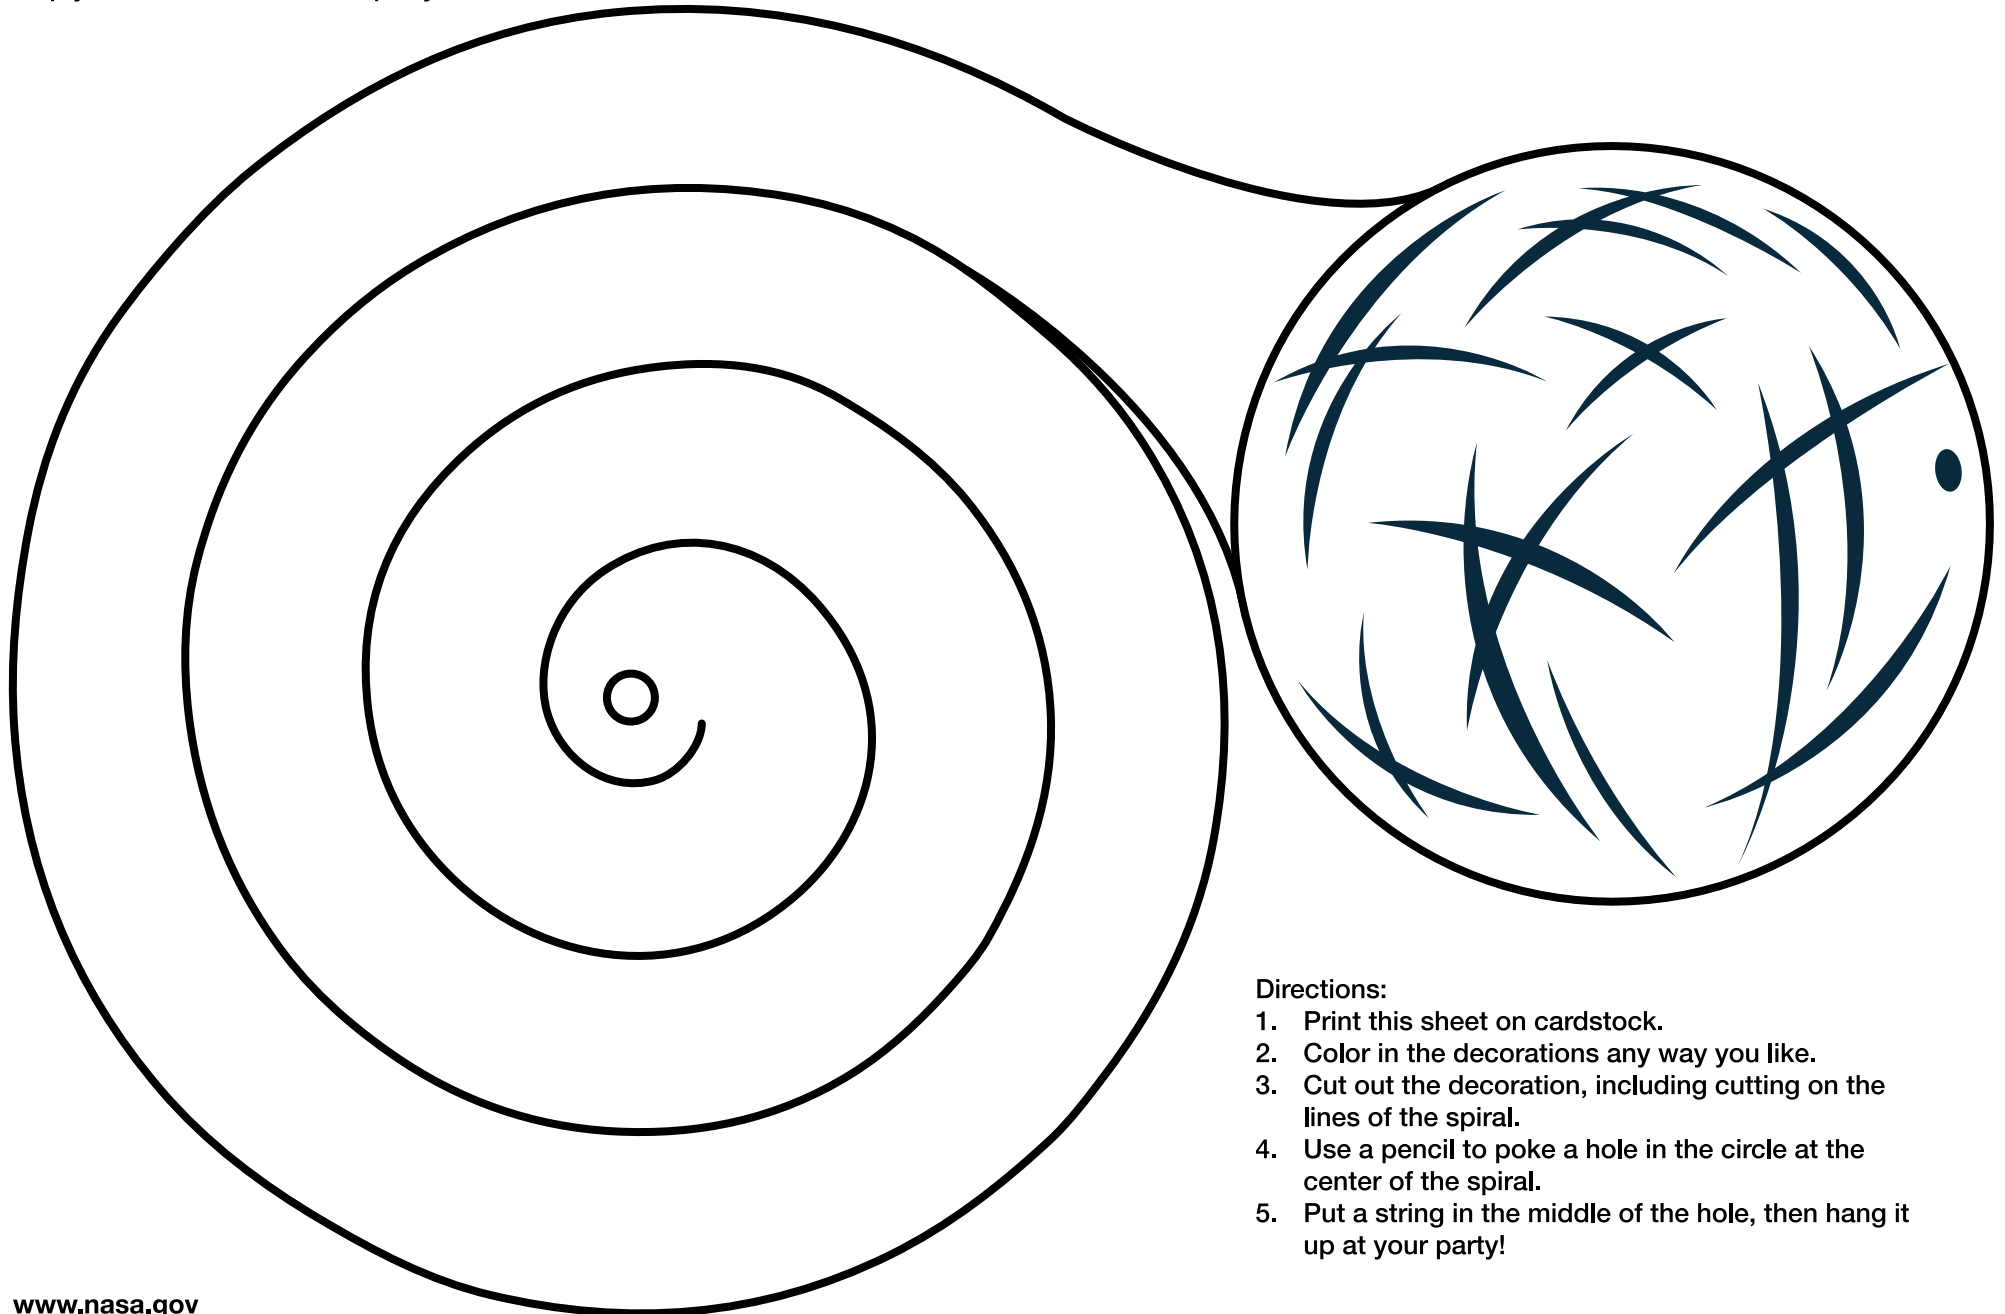

Directions:

1. Print this sheet on cardstock.
2. Color in the decorations any way you like.
3. Cut out the decoration, including cutting on the lines of the spiral.
4. Use a pencil to poke a hole in the circle at the center of the spiral.
5. Put a string in the middle of the hole, then hang it up at your party!
